Rummage Sale

Friday & Saturday,
June 10th & 11th

Park Point Art Fair

Saturday & Sunday,
June 25th & 26th

Rummage Sale 2016 - Friday & Saturday, June 10th & 11th

It's coming! Get your stuff sorted and priced now, rather than waiting 'til the last minute. All rummage sales and food vendors must be set up on private property. Sales are not allowed on public property (streets, sidewalks, "S" curve, etc.)

All food vendors must be currently licensed by the City of Duluth.

Please also remember to support the Park Point Art Fair, June 25th & 26th, by not holding rummage sales on that weekend. (That was the original purpose of the Rummage Sale!)

SCAM ALERT: Carefully question anybody trying to collect a modest fee to help you, if you have a sale.

Porta-Potties will be set up at 8th, 12th, 17th, 20th, 23rd and 30th Streets, plus the Recreation Area at the end of the Point. None will be located at the former Bay Side Market while disposition of the property is ongoing.

Questions? Call Dave Lavamaki, Rummage Sale Chair @729-8925

News from the Lafayette Community Edible Garden

Welcome to new garden members: Sheryl and Al Robins, Denise Jackson, Ellie Alspach, and Erin O'Hearn L'Allier!

Many thanks to Denny Johnson for his hard work establishing a new watering system in the garden. He, along with other Park Point Master Gardeners Ellie Alspach and Joanne Ellison, presented a discussion on easy ways to get started in gardening at our April potluck. Don't miss out on our future casual dinners and garden programs. In May, Carol Kondrath and Kate Cartier will be presenting ideas for taking care of the gardener's body and soul. All Park Pointers are welcome. Call Coral at 727-6455 for more information about our programs or ways you can donate.

Our compost bins are hungry for your kitchen scraps and coffee grounds, so please bring them and dig them in. (No meat or dairy, please.) Ask your favorite coffee shop if they have used grounds you can pick up and dump into the compost bins. Caribou Coffee will soon be bagging up grounds for gardeners.

The Park Point Garage Sale is coming up in June, and our Community Garden will participate to raise funds for our new garden beds and supplies. If you have items you would like to donate to our sale, please price them and drop them off June 8th-10th in front of LeAne and Bruce Rutherford's garage door, at 3205 Minnesota Ave. Our focus is on gardening and kitchen stuff, but we'll take almost any marketable item, except clothing. If you can't donate, maybe you will be one of our appreciated shoppers. Stop by to see what goodies we are selling.

Upcoming Events:

Monday, May 16th, 6 to 8 p.m. - monthly meeting and potluck dinner at Lafayette Square

Saturday, May 21st, noon to 4 p.m. - 1st Annual Duluth Monarch Festival at the Coppertop Church

Saturday, May 28th, 8 a.m. - Duluth Garden Flower Society Plant Sale at the Rose Garden parking lot

Monday, June 20th, 6 to 8 p.m. - monthly meeting and summer solstice celebration

Letter from the PPCC President

Hi Neighbors,

Living adjacent to a beautiful park is a major “perk” in my life. Looking back, I have luckily spent most of my life very close to parks or seeking parks, so I decided that attending the April 13th annual meeting of the Parks and Recreation Division might be a good thing. Dave Poulin, Lafayette lookout & long-time volunteer, and I went to check it out. Our new mayor shared a few, short personal stories at the meeting that highlighted how Duluth’s parks have provided peace, solitude, freedom and joy to her family. The new Parks and Recreation Manager, Lindsay Dean, reported joyful visits to Park Point with her black lab. Representatives from Gary New Duluth Recreation Area, Chambers’ Grove Project, Chester Bowl Improvement Club, and Hartley Nature Center reported on projects and progress in their parks. Several large, vibrant, outdoorsy paintings by artist Adam Swanson at the lower Spirit Mountain Grand Ave. Chalet, where the meeting was held, are worth a visit to the building.

The good news I heard is that Duluth has awesome, beloved parks and increased funding to take care of them, partially thanks to the November, 2011 Parks and Libraries Referendum. Successful grant writing in 2015 yielded \$500k for the Western Waterfront Trail, \$400k for the Duluth Traverse, and \$1 million for the Chambers’ Grove Park. If completed as planned, the Traverse will be the first 100 mile trail system of its kind located entirely within an urban environment. It is planned to be a single-track, multi-use trail built for mountain biking, and will take you from Lester Park to Chambers’ Grove when completed.

Edwin Hall, President of the Parks and Recreation Commission, wrote in his annual report, “We are truly the beneficiaries of the foresight and commitment to open spaces that generations of civic leaders insisted be set aside and dedicated to public enjoyment and recreation.” Hall added that maintaining those spaces is required for good stewardship and preventing future problems and difficult financial situations.

At Lafayette, the bathrooms on the beach level are closer to becoming a reality; the Beach House will undergo several upgrades. Pamela Page was with us at the last meeting, taking notes on the need for more biffies this summer and leaving them up past Labor Day.

I’ll try and keep you posted on how you might get involved in taking care of our parks, trails and waterways and planning new “perks.” Thank you to all who have chosen careers in parks and recreation; to those who work hard and/or volunteer for our city in hopes of promoting health and happiness.

See you out and about in our great parks,
Dawn & Klaus, canine companion

Tree Planting

We have 350 White and Red pine trees coming on the 14th of May and need volunteers to help with planting! The trees will be 3 to 4 years old and about 18 inches tall. They will come in bundles of 25 trees. All a volunteer planter will need is a bucket and a shovel. Call Dick Gould at 727-4067 for more information. There are many areas that still need planting.

Since 1986 we have planted over 7000 trees here on the Point; it has made a huge change in the wind erosion and bird nesting, and they are starting to seed down a bit.

This will be my last year of organizing the tree project, so we are looking for a volunteer to coordinate the tree planting for future years.

Submitted by Dick Gould

EBA Wood Drop Off Site May Dates

EAB dumping site May dates:

The drop-off spot, located in the Recreation Area parking lot adjacent to the soccer fields, will be open in May on Saturday the 7th and the 21st, from 10 a.m. to 2 p.m. Please remember that ALL wood, regardless of species, should be left here; nothing should be removed from the Point, due to the Emerald Ash Borer quarantine.

Wood chips can be delivered to Park Pointers, but absolutely cannot leave the island!

For more information, contact:

Dale Sellner

Building and Grounds Supervisor

Rummage Sale Wish List

Are you looking for something specific but won't have time to Shop the Point, as you're holding a sale of your own? This is NOT, it should be emphasized, the space to advertise your own sale - you're on your own there - but if you've got a hankering for something special, and hope to get an advance "head's up" on what's out there in time to make a pre-sale deal, here's the spot to do it. To be placed on the Wish List for the June, send your request (100 characters or less, no more than 3 requests per person) to: ppbreezeditor@gmail.com; or drop off an old-fashioned snail-mail note to Ellen Dunlap, 2908 Minnesota Ave. *No phone calls, please!!! You'll just end up disappointed.* Please remember to include your name and contact information with your request.

Our organization is hoping to have 2 bikes donated - one each for male & female. Please contact Jeanne Krizan, Vocational Consultant, Employee Development Service @edsofwi@aol.com, or PO Box 3126, Eau Claire WI 54702.
Cell: 715-559-3156, Fax: 715-514-4661.

Wanted: an old-fashioned, canister-type vacuum cleaner to do stairs, tight spaces, etc. Attachments not important, but power is. Small, "car-vac" types are not sufficient.
northshorewanderer@yahoo.com

Wanted: 15 to 17 foot square stern canoe. Also looking for a ladder rack that will fit a Toyota Tacoma regular cab pickup.
Please call:
218-340-7220

Wanted: 1.5" diameter standard steel pipe
Please call:
218-340-6453

Wanted: Smelt Queen pin & Smelt Patrol badge
Please call:
218-340-6453

Wanted:

- Any letterpress letters (wood or lead) and/or letterpress printing equipment/machinery
- Any functional analog/vintage typewriters (no power required)

Please call: 404-606-8832

Let us know what's on your Rummage Sale "Wish List" by 5/27/16 to be included in June issue.

Thank You Notes

Many folks who live on the Point are not aware that there was a large dune grass fire, north and south of 33rd Street, on April 10th. We were not home when it occurred. I want to thank everyone who helped to put the fire out. The Duluth Fire Department was called, and - fortunately for all - the bridge was down. The dunes this year are very dry and need our extra special attention for prevention of further fires.

Thank you, Carol Kondrath and Steve Johnson

It's been a busy year with many changes, and one of the changes is a decision I made not to direct the Park Point Summer Youth Program this coming summer. It was a very hard decision for me to make because of all the wonderful relationships I've developed and memories I have of children, families, staff and volunteers who have contributed to the program for so many years. I am so grateful for the support and kindness of the residents of Park Point who made the program the major success it has been. You will forever be in my heart, and I wish everyone good health, happiness and success in life.

Submitted Joy Fouts

PPCC Meeting Minutes - April 19th, 2016

President Dawn Buck called the meeting to order at 7:03 p.m. and welcomed attendees Brian Madsen, from Sky Harbor Airport and Pamela Page, from the Duluth Parks and Recreation Dept.

Minutes from the March PPCC Meeting were approved by the members, as published in last month's Breeze.

Meeting rules were suspended to allow **Sargent Jason Tanski** (218-590-4305; jtanski@duluthmn.gov) from the Duluth Police Department to speak. He introduced himself and explained that the full roster of community policing officers will no longer be patrolling the Point; instead, a group of four officers have been assigned and will be rotating on twelve-hour shifts. He and Officer Megan Jones (218-730-5582), who subsequently arrived at the meeting, are permanently assigned the night shift. Officer Tanski noted that with this new schedule, it will be challenging to maintain a consistent presence at PPCC meetings; however, the newly assigned officers are committed to doing so. Also noted during the meeting was that traffic is up with spring arriving; the biggest problem has been with trucks tearing up the softball fields. Members suggested putting up trail cams and posting surveillance signs in areas that are being abused. There was another comment that the summer park rangers might require more training that focuses on better engagement with the community.

Treasurer's Report – Al Robins

Treasurer Robbins reported that the bank balance for March, 2016 was \$31,265; April's was \$30,509. Money from Art Fair exhibitors is beginning to come in, and some membership dues continue to arrive, as well. A motion was made, seconded and approved to accept the report; no dissent.

Committee Reports

Art Fair – Carla Tamburo

Carla reported that 117 artists have been chosen to participate in this year's fair; 10 artists are on a wait list. Those participating will include a variety of both new artists and people who have exhibited previously. Food vendors have also been chosen. The Committee is working on getting sponsorships from local businesses to support the music and craft activities that have been a part of the Fair. [See page 7.] Carla asked for suggestions of people and businesses that she could approach for support of these activities. The goal is to raise \$2000.

Sunshine Committee – Pam Griggs

Two sympathy cards were sent out over the past month. As a reminder, please let Pam know of birthdays, births, deaths, any of life's important events, so she can send out a card. Please help her out by including the mailing address of the person or family to receive the card. Call Pam at 218-260- 6032 or send an email to pamgriggs101@gmail.com.

Hospitality Committee – Diane Gould

Diane shared that the Girl Scout cookies were donated by Girl Scout Josie Nichols. A big thank you to Josie!

Program Committee – Dave Poulin

Contact Dave with ideas; please provide the name of a resource person, along with contact information.

Watch Committee – All of Us

There was a grass fire in the dunes at 33rd Street. Smelt season is coming and with it the potential for more fires; it is dry, so please be careful.

Youth Committee - Position open

A committee made up of Sally Buck, Rhonda Strum, Carla Tamburo and Erin Boit is trying to put together a summer youth program at Lafayette. Currently there is no one interested in coordinating and staffing the program, and only one additional parent has offered to help with planning. The program typically runs nine weeks, Monday through Thursday, 8 a.m. – 4 p.m. Last year, 40 children were enrolled and there were two staff people; participation fees covered the cost of the program. In addition, there were many volunteers who helped out. Insurance requires one volunteer for every ten children. It was noted that volunteers are key to having a successful program. The committee is seeking (rather urgently) applicants for the coordinator position. It takes the insurance company at least one week to process the application and much more time to coordinate and plan for the program, which is presently in jeopardy of not occurring, due to the lack of coordinator and volunteers.

Environmental Committee - Dick Gould

The number of public bathrooms on Park Point needs to be increased. There is a lack of facilities at the S-curve, the Beach House, at the end of the Point, near the airport and at Lafayette. An effort to get new bathrooms at Lafayette through a city grant is in the works. Brian Madsen, of Sky Harbor Airport, asked if a porta potty could be put up at the boardwalks there. Others noted that satellites need to be put up sooner and taken away later in the season, as there are many visitors to Park Point both before and after the City installs them. Pam Page, from Parks and Rec, will bring this to the attention of the Parks Director. It was also reported that the Beach House will soon be having work done on its toilets.

Reports of animal sightings include migrating birds, two trumpeter swans, foxes denning up with young ones, a deer at the end of the Point, otter and mink, but no beaver. Also, there is a floating structure being built on Harding Island; Dick Gould will call the DNR. 350 trees will be arriving May 14; volunteers are needed to help with planting. Please contact Dick at 727-4067 for more information.

Old Business

Lafayette Community Edible Garden - For a second time, a motion was made, seconded and passed unanimously to “support the Community Edible Garden with a \$400 contribution.”

Duluth Rowing Club – A second motion was made, seconded and passed without dissent to “contribute \$5000 for the Duluth Rowing Club project.” Discussion re: the motion included that Phase 1 (building a new boathouse) is approximately 60% completed. Also noted is that \$5000 is about 17% of the money the PPCC has in the bank. The comment was made that we need to get more support for planning and running the Art Fair, as that is the primary avenue the PPCC has for raising funds. Dick Gould wondered about starting a new event, an ice fishing contest on the bay. He has been told this has the potential to raise thousands of dollars.

Magic Smelt Puppet Troupe – A motion was made, seconded and passed without dissent to “give \$300 in support of the Smelt Parade.”

St Louis River Alliance – Ellen Dunlap spoke to the resolution she and Dave Johnson drafted, on PPCC request, in support of the work the Alliance does. The letter notes the significant role the Park Point Spit/Sand Bar/Peninsula has as a protective barrier to the St. Louis River Estuary. The full resolution is posted on the PPCC web site. (The Club previously approved a donation of \$250 to the Alliance; the letter will accompany that donation.)

New Business

It was noted that the PPCC has an outstanding **\$5000 promise to the Sailing Club**. There was concern expressed about the PPCC being able to meet its financial obligations. The Executive Committee will discuss this situation and make a recommendation.

It was announced that the **voting site** will not be moved from Lafayette to St. Andrew’s By the Lake Church, as has been suggested, as the church does not meet Americans With Disabilities Act requirements. The PPCC has supported Lafayette as the voting site for Park Point. If voters have difficulty walking in, election judges are required to take a ballot out to them. Also, it was questioned whether or not a light could be installed at the bottom of the ramp, as this area is quite dark. Pam Page suggested the PPCC make a request to Facilities Management.

It was also noted that the **bathrooms in the lower level of Lafayette** are functional, but need regular flushing to keep them in order. It was also noted the door in this same area needs repair.

The **tennis courts** have been cleaned; a nice job was done, so they are looking good. Thank you to city workers for getting the leaves off of the court and the area ready for the summer tennis season.

Pamela Page reported the **Bayfront Family Center** is now open Monday-Thursday, 11 a.m.–7 p.m. Also, the Chester Creek concert schedule is out; she left posters of the ongoing summer event. Information is posted on the Parks and Rec website.

Meeting adjourned at 8:12 p.m.

Minutes written by Marie Margitan, PPCC member

The mission of the Breeze is to serve the community by:

1. Publishing the minutes and financial statements of the Park Point Community Club.
2. Informing the community of upcoming meetings, events, happenings and projects.
3. Providing a forum for Park Point residents to air their concerns.
4. Sharing the history, stories and anecdotes that make Park Point a unique place to live.

Did you know that the Breeze is hand delivered by neighbors who volunteer?

We are urgently looking for one or two new volunteers to deliver for the 1600-1800 blocks. This route takes about one hour once a month.

If you can help, please contact Natalija at ppbreezeditor@gmail.com.

We appreciate all of the Breeze delivery volunteers for making this newsletter easily available to all!

Reminder to Park Point neighbors:

There is a credit of \$3,000 for our use at Amazing Alonzo used book store, located at 18th East and Superior Street. Just mention Park Point to receive a 30% discount.

Keep Awake

Father taught biology when I was in college. An excellent teacher, at the beginning of each class he would call on one student and ask him one question from the previous class. That one question carried a lot of weight. It counted as a test grade and you either passed or failed. Most unsettling was that you never knew whom he would call. Just to keep you on your toes he could call on you again even before others had their chance. Therefore you had to always be ready. There were no excuses. Father wanted you to review daily your lessons so you were ready just in case your number came up.

Isn't that our Lord's warning to us? Stay awake; be ready, for you never know when your appointed time will come. Even if Jesus does not return in our lifetime, we all have to be ready for our own death. We may not like to think about it, but it is a reality. Nor can we assume that we are going to live to a certain age. Life can change in a moment. Rather than live in fear, we need to live each day as if it were our last that way there will be no surprises.

Father help me to be always conscious of your presence. Then no matter what happens, I will be ready and live my days in your peace. Amen

Mass 8:00 AM every Sunday with confessions at 7:40

***Come Holy Spirit, Come
Come on the wind and cleanse
Come on the wave and renew
Come in the flame and burn
And set our hearts on fire. AMEN***

The celebration of the Spirit is May 15th this year. And every year, we pray that the wildness of the Spirit would fall afresh on us, pouring the love of God into our hearts.

- Stop in to see our latest art exhibit, Doodle Drawings. Rev. Marta's office day is Monday. Please ring the doorbell for admittance.
- Creative Hands does not meet again until September.

46th annual Park Point Art Fair - June 25th and 26th, 2016

Early summer on the nation's largest freshwater sandbar attracts more than smelt and seagulls. For four decades, thousands of people have come together the last weekend in June for the region's premiere outdoor visual arts showcase.

Admission and parking are free at the 46th annual Park Point Art Fair, 10 a.m.-5 p.m., June 25th and 26th at the Park Point Recreation Area in Duluth. It features the juried fine art and craft of 115+ premiere artists from the local area, upper Midwest and beyond. Artists display and sell work in media such as ceramics, glass, jewelry, painting, photography, woodwork and sculpture. In addition to this outdoor gallery, the Art Fair presents a food court; stage with free live music; family art making activities and more—all in a stunning natural setting. Each year, an estimated 10,000+ visitors attend this weekend festival.

Located at the foot of the "Beach House," playgrounds and ball fields, the event is accessible by bus line and dedicated bike path, as well as the nearby airstrip and public boat launch. With artist tents lining a paved path that extends through the park, the show allows people with physical disabilities the chance to fully experience the event.

The Art Fair is presented by the Park Point Community Club, not only to the benefit of the local neighborhood, but of the larger Twin Ports Region it belongs to.

ART FAIR BUSINESS SPONSORS

The Park Point Art Fair is seeking sponsorships from local businesses to provide music and activities and enhance the event experience. If you know anyone who might be interested, please do not hesitate to request funds on our behalf and email the coordinator at coordinator@parkpointartfair.org for more complete information.

The Park Point Art Fair invites local businesses to partner with us. For 46 years, the Park Point Art Fair (PPAF) has annually connected regional artists with the public, encouraging meaningful social, economic and educational interactions in a beautiful, natural setting. The PPAF is the signature event of the Park Point Community Club and financially supports initiatives to enrich the lives of our children, care for our unique environment and give a voice to our community.

Please support our Park Point Art Fair by providing a minimum donation of \$200.

Sponsorship Benefits Include:

- Your logo on the official Park Point Art Fair T-shirt
- Your logo or listing in promotional materials (3000 event guides, 100 posters, plus press releases)
- A 3x5' banner (provided by your business) will be displayed behind our music stage
- A mention of appreciation in social media and on our blog

Businesses can expect exposure to and the support of 10,000 Art Fair attendees. Your donation will allow us to showcase local musicians, enhance the experience for our audience and provide an appreciation dinner for all participating artists and volunteers.

ART FAIR VOLUNTEERS NEEDED

Interested in helping the Community Club promote its 46th annual Art Fair?

Please contact the volunteer coordinator, Diane Gould (727-4067) to arrange a time.

Tasks include but are not limited to:

- Distributing posters and bookmarks before the event
- Volunteering during the big weekend, (including set-up Friday), but primarily Saturday and Sunday, June 25th and 26th. Volunteers can booth-sit for artists, greet Art Fair patrons, empty garbage cans, help out in the children's make-and-take area, or to help with clean-up after the event.

What's in it for you? Perhaps a fabulous prize, like a 2016 T-shirt or poster, or even better: an invitation to the annual Artist & Volunteer Dinner. Without question, though, a deep appreciation and a chance to hang out with your neighbors. Without your valuable contributions of time and effort, this celebration of art and community wouldn't be possible. Thank you!

Is a Reverse Mortgage

something *you* should consider?

A checklist to see if a **Reverse Mortgage** might make sense for you.

- Could you use extra cash or monthly income?
- Do you have quite a bit of equity in your home?
- Do you want to remain living in your home for as long as possible?
- Are there repairs or improvements you would like to make to your home?
- Are there extra things you would like to do for yourself and your loved ones?

If you are 62 or older, find out how much tax-free cash you qualify for. Call WesternBank - your locally owned hometown bank since 1904.
