#### Motions and Resolutions

By Mayor Snively:

Whereas condemnation price for the land under condemnation by the State

Whereas by the above recommended abandonments and by the purchases made or to be made by the City, reductions totaling \$75,398.98 will be made from total condemnation award of \$165,198.93, leaving portion to be purchased by the State of Minnesota \$89,809.04, from which a reduction of \$2,793.80 has already been obtained from negotiations with the Hartley Estate.

Be it resolved that copy of this resolution be sent to the State Executive Council as assurance that the City of Duluth does not expect the State to spend over the \$90,000.00 agreed upon and that the City will acquire all other lands necessary for the consummation of all the work in the Minnesota Point Development Project as originally presented to the Executive Council and the W.
